

Le Montrose Suite Hotel Partners with Stash Hotel Rewards

Now Part of the Largest Point-Based Program for Independent Hotels in the U.S.

Los Angeles, CA ([PRWEB](#)) June 14, 2011 -- [Le Montrose Suite Hotel](#) today announced its partnership with Stash Hotel Rewards®, an innovative hotel rewards program that enables travelers to quickly earn free nights at distinctive, independent hotels without blackouts or inflexible category restrictions. Stash members can now earn points toward free nights each time they stay at Le Montrose or any of the 154 distinctive hotels in more than 100 cities that participate in Stash.

At the doorstep of the glitz and glamour of West Hollywood, but also a retreat from the hustle-and-bustle of Los Angeles, Le Montrose has long been a home-away-from-home for the entertainment industry and all creative spirits on the move.

“The guest at Le Montrose seeks an experience that is out of the ordinary,” says Joe Monserrate, Regional Director of Marketing for Outrigger Lodging Services. “Our travelers are looking for unique and personalized visits. Partnering with Stash will allow our guests to join a network of like-minded hotels wherever they might travel.”

“Le Montrose Suite Hotel provides guests a private home-base on a quiet street – but you can be on the Sunset Strip in minutes,” said Jeff Low, founder and CEO of Stash. “There’s a saltwater pool with cocktail service on the roof, so you can get that classic, Hollywood-at-night view, alongside a celebrity taking a much-needed break from the limelight.”

Guests can easily sign up for a free account at the Stash website www.stashrewards.com. Points can be earned immediately and never expire. Redemption is simple and free from rigid reward categories, and black-out dates don’t exist. Additionally, Stash partner hotels provide members with exclusive travel deals.
